Emory University: Emory College of Arts and Sciences

ECAS Course Evaluations (Su 2025) - Session I

Course: QTM-350-1: Data Science Computing - Summer 2025

Instructor: Danilo Freire \*

Response Rate: 7/7 (100.00 %)

7 - Optional comments on the course:

|   |              |
|---|--------------|
| Response Rate   | 2/7 (28.57%) |
| <p>• I enjoyed the course and learned a lot! I do feel like we could have delved a little deeper into some topics though, such as AWS, Ollama, and Dask. However, I do understand the time constraints as this was a summer course!</p> <p>• This course was fantastic! We learned so much in six weeks but all very applicable material that I can use to optimize certain life decisions in the future and also make coding easier, faster, more fun! This course will serve me well in future QTM classes, coding projects, etc. I am very glad I took this class. Spending half of class working on problems sets was very helpful in testing our knowledge and preparing for the quizzes. One thing I would say is perhaps take smaller, more frequent breaks because for some students it is difficult to concentrate for an hour before a 10-15 minute break! :)</p> |              |

8 - Optional comments on the instructor (Danilo Freire): -

|   |              |
|---|--------------|
| Response Rate   | 4/7 (57.14%) |
| <p>• Professor Freire is very kind, enthusiastic, and attentive. He really cares that we're understanding the material, is always eager to answer any questions, and help us work through difficult problems.</p> <p>• Danilo is a very enthusiastic and caring instructor. He clearly really cares about his students and helping them to learn the content.</p> <p>• I have taken 3 courses with Professor Freire during my time at Emory and every one seems to be better than the last. He is always so enthusiastic, full of smiles, and such a joyful Professor. I have never had another Professor here at Emory that loves what they do as much as he does and it shows in the work I produce in all of his classes.</p> <p>• Dr. Freire is the most enthusiastic professor I have ever had at Emory (I'm a rising senior)! He really loves teaching this course and explaining the concepts thoroughly to students. He cares about the students' understanding the material and at least 3 times stayed 30+ minutes after class on Zoom to help me with issues with my code/computer (spontaneous office hours, did not email him ahead of time to schedule). He is a fantastic professor and I'm very glad he taught this class!!</p> |              |

9 - Which of these best describes your primary physical location while enrolled in this course?

| Response Option        | Weight | Frequency | Percent | Percent Responses      | Means |  |  |  |
|------------------------|--------|-----------|---------|------------------------|-------|--|--|--|
| Atlanta metro area     | (1)    | 1         | 14.29%  | <div><div></div></div> |       |  |  |  |

**14 - What approach used in this course was most effective in helping you achieve the stated learning objectives of the course?**

**Response Rate** 3/7 (42.86%)

- I really loved the choice to use Quarto for the classes, so the lectures were a combination of slides and code. This was really helpful! Previous QTM courses I've taken (in person) were largely taught through an RMarkdown document or Jupyter notebook, but the Quarto slides made it much easier for me to learn and understand!
- I liked all the hands-on practice. The building of the consequence level of assignments was helpful, starting with no consequence in class practice, then out of class problem sets, and finally in class quizzes. This helped us learn the techniques / concepts in a low stress setting then apply later.
- Practice sessions during class and homework assignments! It was also fun applying most of the concepts we learned in class to the final project.

**15 - Did any of the following reduce your ability to participate/engage fully in the course? Select all that apply.**

| Response Option  | Weight | Frequency    | Percent | Percent Responses |  |
|--|--------|--------------|---------|-------------------|--|
| Limited internet access  | (1)    | 1            | 25.00%  | <div></div>       |  |
| Distractions from the physical environment in which I was accessing the internet | (2)    | 1            | 25.00%  | <div></div>       |  |
